

*The Marine Room*  
LA JOLLA, CALIFORNIA

**Fact Sheet**

**Description**

Opened on May 29, 1941, The Marine Room quickly became famous as pounding surf created dramatic displays against the restaurant's windows. For more than half a century, celebrities, world figures, residents and visitors have made it a habit to come to the Marine Room to enjoy spectacular panoramic views of the Pacific and exceptional cuisine. Located directly on the sands of La Jolla Shores the Marine Room allows diners to enjoy sweeping views of the coastline while waves roll right up to the windows. Patrons seated window-side during an unusually high tide can savor the food as the surf cascades off windows only a few inches away.

The Marine Room has received awards for "Best of the Best, Money No Object", "Best Restaurant with a View", "Most Romantic Restaurant" and "Best Service". Additionally, Wine Spectator Magazine recently recognized their wine program with an Award of Excellence.

The Marine Room offers global cuisine rooted in the French classics along with spectacular views, exemplary service and an outstanding wine list, which make it San Diego's premier dining destination.
