the maiden- the second wine of harlan

This represents wines created with the younger vines that have reached a level of maturity capable of producing wonderful wines, but not yet mature enough for the final Harlan Estate blend. Bill Harlan created the Maiden to give this exquisite wine its own voice. It is grown and vinified to the same standards as Harlan Estate.

the bond collection

bond

A portfolio of wines from Napa, California, that is diverse in geographic representation and is Grand Cru in quality. Bill Harlan has created five "Grand Cru" vineyards to explore, representing the best of what the vines and terroir have to offer. They are listed from the most Northern and highest elevation to the more Southern vineyards.

quella

The name is derived from the German word for a pristine source or an artesian aquifer. This property is steeply sloped facing southwest. The site is an ancient riverbed composed of cobble and rocks interwoven with pockets of tufa (volcanic ash) that were uplifted during the last volcanic activity in the area. Quella displays an almost ethereal quality of blue fruits, graphite, and a vibrant, subtle finish.

st. eden

Eden is a historical reference to this region's designation on nineteenth century maps. The red rocky soil of this north facing site originates from high in the Vaca Mountains. It shows great focus, an opulent "sweet" center and notes of crème de cassis, dark chocolate, and roasted herbs. Mineral-tinged and broad on the palate, it finishes with fine-grained tannins and a lush concentration.

vecina

The name is coined from the Spanish word for neighbor. This is the endeavor with the property situated directly southeast of the Bond winery. The Vecina is always powerful, intense and savory. Vecina's other hallmarks are blackberry fruit, with wild forest floor and earthiness.

melbury

The name pays homage to a historic area in London, where the estate owners reside much of the year. This wine consistently displays plush red fruits (currants, bing cherries), with spice and the scent of violets

pluribus

The name refers to the Latin word for many, chosen to signify the various facets involved in creating a fine wine: the sun, soil, and climate of a vineyard. Its character is bold, rich and concentrated; elements of dark plum, roasted coffee and scents of cedar are its hallmarks.

promontory- the newest wine from bill harlan

In an unmarked territory, hidden beyond the upper reaches of Oakville's southwestern borderlands, Promontory looms remote, raw, and replete with uncharted potential. These lands encompass an entire watershed and embody all the hallmarks of an unparalleled winegrowing estate - diversity of soil, elevation, exposition, and climate – all within a single and dramatic expanse.
