The Marine Room

established 1941

Opened in, 1941, The Marine Room quickly became nationally and internationally famous. For more than half a century, celebrities, world figures, the La Jolla community and visitors have made it a habit to come and enjoy spectacular panoramic views of the Pacific and exceptional cuisine. Perhaps the original menu stated it best:

“Unique in many respects, the Marine Room, adjacent to the La Jolla Beach and Tennis Club but open to the general public, presents a sight seldom seen even by world travelers. Perhaps nowhere else is there a similar restaurant where individuals may enjoy the finest cuisine while watching foam from illuminated ocean waves dash at high tide against the heavy plate glass windows which securely protect them from wind and sea.”

Some dishes may contain raw or undercooked ingredients, which may increase your risk of foodborne illness.

A 5% surcharge will be added to all guest checks to defray the increase in California state wages.
